## e.l.f Studio Eyebrow Treat & Tame

Create manicured and styled brows that are beautiful and defined. Treat your eyebrows with a hair re-growth, vitamin infused gel formula to help stimulate hair follicles so your once thin and sparse brows become thicker. Tame eyebrows with a fiber enhanced eyebrow mascara formula for fuller and more natural looking brows. The special fiber infused mascara grips onto even your finest brow hair to create a beautiful healthy and enhanced look.

## e.l.f Studio Eyebrow Kit

Create brows that are fuller, thicker, and more defined! The pigmented wax defines and shapes brows and the color complementing setting powder keeps them looking arched and perfected. The doubled sided taklon brush has one side to help arch your brows while the other side aids in filling them in. This duo provides lasting color definition for a naturally beautiful look.

## **e.l.f. Studio eyebrow lifter & filler**

Create polished and defined brows for a flawless fuller look! The 'lift' pencil's sheer light-reflecting pigments act as an arch support under the brows to enhance and outline the shape for a more youthful and awakened look. While the 'fill' pencil shades in the eyebrow to blend in the natural shape, fill in any sparse areas and define the lines.

## **e.l.f. Essential Wet**

Gloss Lash & Brow

### Comb + Brush

Keep brows perfectly trimmed and shaped with this Brow Comb + Brush. The comb side works to smooth brows for a polished, neat look. The angled brush side helps to soften hair texture and distribute product. Doubles as a lash comb to separate and remove clumps when applying mascara.

All e.l.f. professional makeup brushes have been designed and tested by our professional team of makeup artists. Each brush has been ergonomically designed to fit perfectly into your hand and facilitate a flawless finish with every application.
